

THE SAMARITAN CENTER

The Samaritan Center was started by the people of St. Paul's about 35 years ago and we continue to support this important soup kitchen. Three times each year St. Paul's is responsible for serving a meal, with funds as well as workers to prepare, serve, and clean up after the meal. MISSION & SERVICE

...for I was hungry and you gave me food, I was thirsty and you gave me something to drink, I was a stranger and you welcomed me, I was naked and you gave me clothing, I was sick and you took care of me, I was in prison and you visited me.

Matthew 25:35-36

MISSION & SERVICE

The Church is not a building; it is what its people do in the world to help others. The mission and service work of St. Paul's church helps others through the initiatives described here.

THE OPEN PANTRY

The Open Pantry located next to the 220 E. Fayette Street entrance helps feed our hungry downtown neighbors. Food items are placed there at least twice each day for our neighbors to take as needed. We estimate that ½ of the donations are made by members of St. Paul's and ½ are placed in the pantry by downtown neighbors. For more information speak with Jim Doyle.

INTERFAITH WORKS

St. Paul's, was a founding partner in Interfaith Works, and provides financial support to its work and programs. We have assisted with refugee resettlement and other initiatives which affirm every faith tradition in our community. For more information search: www.Interfaithworksofcny.org or speak with Jeanne Avery or Catherine Gerard.

SOUTH SUDANESE CONGREGATION

Our Sudanese members began worshipping at St. Paul's in 2004. The original members of the congregation were called "The Lost Boys", as they were all young men who had come to Syracuse as refugees from the civil war in Sudan. Our Sudanese members are led in worship by two lay leaders. Several times each year we host community events for the broader Sudanese community. For more information speak with Michael Yuot Mach.

ST. PAUL'S YMCA MINISTRY

This ministry seeks to develop relationships with the YMCA senior residents. Continuing activities include sending greeting cards, delivering plants and food at holiday times, as well as social activities with the residents (coffee, ice cream, meals) St. Paul's Open Pantry has been a source of supplemental food for some of the YMCA residents. For more information speak with Debbie Bogán.
